

Scoring in a PAIRS Better ball competition

Staff on the Registration table will have obtained your handicap Index from WHS and computed your playing handicap for the day. Please say if your Index has changed in the last 24 hours - your Playing handicap will be recalculated.

You and your partner are a two-man team and will be given one scorecard between the two of you. One of you will be named in the 'Player A' space and the other in the 'Player B' space.

One of your playing partners will be marking your Pair's card and you will be marking their card (Please exchange cards at your first tee).

After playing each hole, record the better Gross score in the column for the player returning that score. Record the associated points in the column marked 'Nett Score/Points'.

Eg on hole 1, if player A scores a gross 4 for 2 points, and player B scores a 6 for 1 point, then record a 4 in column A and a 2 in the Points column.

Eg on hole 2: if player A scores a gross 6 for 1 point, and player B scores a 6 for 2 points, then record 6 in column B and 2 points in the Points column.

Do this for each hole, being careful to place the score in the appropriate column.

To help us get to the result timeously, please hand in a legible and accurate scorecard.
