Dear Mr Coles

It is thanks to the incredible generosity of people like you that we are here. Your kindness means we are able to continue to provide vital services for people in south east London and beyond.

People like Ava who received rehabilitation physiotherapy and breathlessness management, and now no longer relies on oxygen. "With my illness, I've stayed at home a lot and become a recluse. I'd given up. St Christopher's has changed all of that. My confidence is returning and I'm starting to socialise again." Ava has joined our singing for breathlessness group and continues to strengthen her lungs while making new friends.

Living well until the last moment of your life is something we passionately believe in. Your gift of £1,000.00 from the year of captaincy at the Association of Kent Veteran Golfers, allows us to continue to care for thousands of people each year. Please pass on my thanks to all your members for their generosity.

Thank you for your support.

Kind regards
