## "2s" competition

This competition commenced in 2022 and is managed by your president, Clive Young.

Book at the Raffle Table before going to your tee. The £2 entry fee is included in the price of a £1O raffle ticket - which is paid in cash or via our Card Reader.

This is how our "2s" competition works:

- Achieving a "2" is defined as "holing your second shot on any hole". That is: accomplishing a gross score Birdie on a Par 3, or a gross score Eagle on a Par 4, or an Albatross on a Par 5.
- For each Raffle entrant £2 will be allocated to the "2s" pot. 50% of the pot will go to the Captain's chosen charity for the year.
- The remaining 50% of the "2s" pot will become the prize money. Each "2" scored will entitle a player to an equal share of the prize money.
- If no "2s" are achieved at a fixture then the prize money will be carried forward and added to the prize money for the next fixture, and so on.
- If at the end of the season no-one has claimed the prize money then it will go to the Captain's chosen charity
