The AKVG committee has a ruling that all its competitions will be played off yellow (middle) tees with WHS handicap allowance and maximum handicap Index of 28. If a player's handicap Index is over 28 they will be welcome to compete using an Index of 28.

Additionally, each player taking part in an AKVG competition must have a CDH number. Players without a competition handicap are welcome to enter but are prevented from winning prizes and should advise the registration desk upon collecting their score card.
