

## The Association of Kent Veteran Golfers

### “2s” competition

This new competition, to start in 2022, has been proposed by your immediate past Captain, Dave Parker.

Your 2022 Captain, Martyn Dines, will champion it this year.

Here is how our “2s” competition will work:

- The entry fee at each fixture will be £2 per player
- Book at the Registration Desk before each fixture
- Payment in cash or via our Card Reader
- Achieving a “2” is defined as “holing your second shot on any hole”. That is: accomplishing a gross score Birdie on a Par 3, or a gross score Eagle on a Par 4.
- The player scoring the most “2s” (or holes-in-one, of course) during a fixture will receive 50% of the pot, in cash
- In the event of a tie the pot will be equally divided
- The remaining 50% of the pot will go to the Captain’s chosen charity, which this year is ‘Canine Partners’
- If no “2s” are achieved at a fixture then the 50% prize pot will be carried forward and added to the prize pot for the next fixture, and so on
- If at the end of the season no-one has claimed the pot then it will go to the Captain’s charity
