

The Association of Kent Veteran Golfers

Match Day Emergency phone

The number of the Match Day Emergency Phone has been changed to 07926 770332.

This facility is to enable you to contact the duty officer if an entered player will be delayed or must cancel. We can then immediately alter the Order of Play accordingly.

NB: the phone will only be monitored from about 7AM on match day. We would prefer texts as we will be carrying out other duties. Our Refund policy will apply (see item 10 above).
